

abacus & field LLP

Chartered Professional Accountants

NEW YEAR, NEW NAME, NEW LOCATION

Tonianne K. Witschi Professional Corporation, Chartered Professional Accountants, would like to officially announce our new name and partnership as:

Abacus & Field LLP, Chartered Professional Accountants.

For those who have visited our new location at 119 2A Ave SW in High River, you may have noticed our current window signage. While they were done as part of a recent movie set, we've been working on our new name and partnership over the past year and are thrilled to finally reveal it.

The unofficial partnership, between Tonianne and Jennifer, has been a work in progress since 2007 when Jennifer first joined the team. Our name may be changing, but our mission to empower, encourage, advise and assist our clients in all tax and accounting matters remains the same.

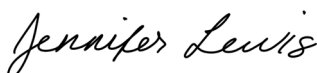

As we officially form our partnership under our new name, we wanted to take this chance to capture the grassroots history of our business and honour the long-standing relationships we have built thus far with our community, and in particular, our clients that continue to trust us with their numbers. We are so grateful for your support, patience and steadfastness, especially over the last two years.

We are beyond excited for this new chapter, and we look forward to continuing to provide quality accounting services to you for many years to come.

Happy Holidays, and see you in the New Year,

Tonianne Witschi, CPA, CGA

Jennifer Lewis, CPA, CGA
